

# Goals for the meeting, upcoming deadlines and next meeting

B.S. Sathyaprakash, Cardiff University

# Goals for this meeting

---

- Identify key science goals for ET
- Reconcile our study with the new detector strategies and noise curves
- Review existing groups and see if we need to revise them
- What are the key science questions
- Set up a team for writing the vision document
  - Deadline early May
- Financial statement
  - Deadline early May
- Next meeting
  - Two possibilities: May 20, June 2-4 (both in Paris)

# Participation in the Study

---

- As a member of an institution that led the FP7 proposal or via the ET Science Team.
- The ET web pages at: <http://www.et-gw.eu/>
- To register for  $WG_n$  mailing list go to
  - <https://mail.virgo.infn.it/mailman/listinfo/wgn-et>.
  - $WG_n$  e-mail address is:  $WG_n$ -et AT ego-gw.it
  - $WG_4$  working area is at: <https://workarea.et-gw.eu/et/WGn-Astrophysics>
- To register for the ET Science Team go
  - <https://mail.virgo.infn.it/mailman/listinfo/science-team-et>
  - Science Team e-mail is: science-team-et AT ego-gw.it
